Solitaire

.....
Executive Seating With
Refined Sophistication.

Solitaire

Introducing the ultimate in **Comfort** and **Sophistication**.
This chair combines sleek, contemporary design with
exceptional functionality.

The luxurious feel of the **Soft Bonded Leather Upholstery**, complemented by an upholstered headrest for unparalleled support and style, should be experienced in person. It's **Fingertip Wire-Connected Synchro Mechanism** ensures effortless adjustments, while the **Seat Slider** tailors your seating position for all-day comfort.

The **2D Adjustable Arms** provide perfect arm support, while the **Moulded Foam** guarantees seating that's both ergonomic and plush.

3 Or 4 Units Only 5 Working Days.

A modern office showroom with a clean, minimalist design. The space is divided into sections by white pillars. In the foreground, there's a dark grey sofa and a plaid armchair. The middle ground features several ergonomic office chairs in black and grey, some with mesh backs, arranged on a light-colored floor. Large windows in the background let in bright natural light. A white cylindrical light fixture hangs from the ceiling.
